Dear Ms Holden

**Town And Country Planning Act 1990 – Section 77
Application by Gallagher Aggregates Ltd
Site at Hermitage Quarry, Hermitage Lane, Aylesford, ME16 9NT**

I refer to the above called-in planning application and the National Planning Casework Unit's letter of 27 July 2011. I am the case officer.

The case is following a bespoke programme which is to be agreed between the applicant and LPA. I have advised them that as you have been requested to submit a Rule 6 (6) statement you should be involved in agreeing the programme. Please follow the link for guidance on bespoke programming http://www.planningportal.gov.uk/uploads/pins/gpa_05.pdf. Attached is the format for the bespoke programme. Please suggest dates for those actions which have not been greyed out.

You have 2 weeks from the date of this letter in which you can submit a programme agreed with the applicant and the Local Planning Authority.

If you do not wish to submit a programme within the 2 week period please let me know. If that is the case, or a programme is submitted which we find unacceptable, we may impose our own programme for this called-in application.

Please note a further letter 'starting' this called-in application will be issued in due course once the bespoke programme has been agreed. This letter will confirm when parties' statements are due.

If you have any questions please contact me.

Yours sincerely

Alan Ridley
