

Festive paper chains

Create these wintry snowmen decorations

Snowmen Paper Chains

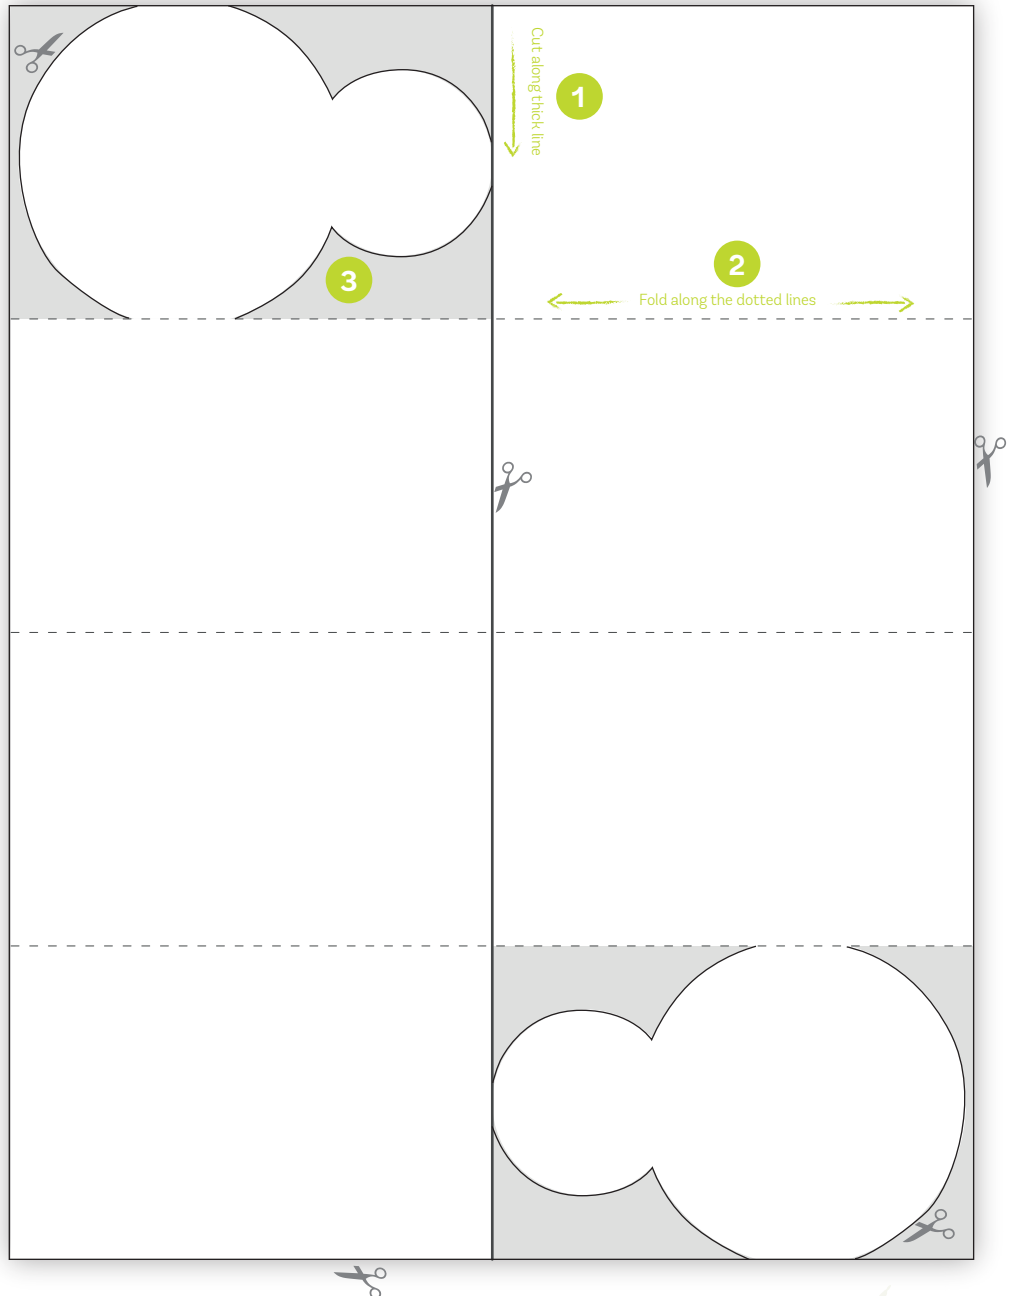

You'll need:

Scissors

Your grown-up

Let's get making!

1. Cut out the rectangular stencil – always ask your grown-up for help with scissors.
2. Cut along the thick line – you should be left with two long, thin strips of paper.
3. Fold along the dotted lines.
4. Cut out the grey areas around the snowmen shapes.

Ask your grown-up to help you cut out the snowmen.

Try sticking the stencil to brightly coloured paper!

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
