

 **Twilight trek**
Go exploring after dark!

Twilight trek

Plunge into the twilight and awaken your senses.
What can you see, hear and feel?

See...

The moon

Twinkling stars

Glowing eyes

Spooky shadows and silhouettes

Hear...

Birds calling

Wind rustling through leaves

Feel...

Raindrops

A chilly breeze

Branches and shrubs brushing against you

A shiver down your spine!

Snapping twigs

Wispy spider webs

Something creeping through the undergrowth

Don't forget to take a deeeeeeeep breath – what can you smell?

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
